JKO Mobile

Joint Knowledge Online (JKO) Mobile provides access to unclassified, releasable, joint training content using your personal Apple and Android mobile phones and tablets. The JKO Mobile App is available in Apple and Android app stores, delivering access to unclassified training courses, news, eBooks, podcasts and videos. The JKO Mobile App can be installed and run using an Apple iPad, iPod, and iPhone (running iOS 6 or higher) as well as an Android tablet and phone (running Android 2.3.3 or higher). With JKO Mobile you can:

- Complete training courses
- Download job aids
- View HTML web pages, PDFs, eBooks and videos

How to Get JKO Mobile:

1. **Complete the "Introduction to JKO Mobile (J7OP-US1126)" course on JKO** by going to https://jkodirect.jten.mil. Search for the course by name or course number from the course catalog tab, then enroll and launch to complete the course.
2. **Record your Personal Identification Number (PIN)** that is activated as part of completing the JKO Mobile course. Your PIN controls access to the JKO Mobile App and enables course completions to be sent to your training history on the JKO desktop system.
3. **Download and Install the JKO Mobile App** from your device's app store, type in your PIN and download available courses from the App's "Library" section.
4. **Complete training courses on your mobile device.** Course completion records are sent to the JKO desktop system upon a successful "Sync" of your device ("Sync" requires connection via Wi-Fi or a mobile data plan). Your mobile course completion certificates are stored and available to print from the "Open My Training History" section of your JKO desktop account.
5. For questions please contact the JKO Help Desk at 757-203-5654 or jkohelpdesk@jten.mil.

About JKO

Joint Knowledge Online is the DoD advanced distributed learning capability for military and civilian individual and staff online training. It is the Joint Staff system of record for Joint Staff annual training requirements. Joint, Interagency, Inter-government and Multinational Stakeholders use JKO for a cost efficient, distributed learning solution to meet their online training needs. The JKO team of learning technology, instructional systems design, and training professionals develop media-rich, interactive web-based courses, small team simulation exercises, and train others to fully leverage JKO to manage their unique, online training requirements.
