

Senior Enlisted Joint Professional Military Education (SEJPME)

Developing confident and effective joint force leaders today to meet the complex military challenges of tomorrow.

The SEJPME Program consists of two stand-alone online courses and a prerequisite New Student Orientation course. The SEJPME I and SEJPME II courses cover joint emphasis areas such as: National Strategic Overview; Joint Interagency, Intergovernmental, and Multinational (JIIM) Capabilities; Foundations of Joint Operations; and Joint Force Leadership. Prospective students should complete their Services' appropriate grade PME/EJPME before enrolling in SEJPME courses.

The SEJPME NSO course is a prerequisite to SEJPME I & II, designed to prepare enlisted members for the associated academic rigors to successfully complete the program. This course outlines expectations students should consider prior to enrolling in SEJPME I or II.

SEJPME I provides CJCS-sponsored joint assignment-oriented education targeted for leaders in grades E5-E7. These enlisted leaders may be serving in, or with potential to serve in, joint and combined organizations worldwide. The course consists of 40+ hours of computer-based instruction with a focus on preparing enlisted leaders to successfully support joint activities, lead members from multiple Services, and better understand joint operations.

SEJPME II is a 45+ hour advanced course restricted to paygrades E7-E9, plus civilian and multinational equivalents. This advanced course expands upon topics learned in SEJPME I and introduces new, relevant, higher level joint course material. Students should complete SEJPME I before taking SEJPME II. SEJPME II is a prerequisite to KEYSTONE.

The courses are accessible online from anywhere across the globe, 24 hours a day, 7 days a week. Students have a total of 180 days to complete each course. To locate on JKO, go to <https://jkodirect.jten.mil>. For information on SEJPME credit recognition at military universities and others, visit the SEJPME Community of Interest page on JKO. For more information contact the SEJPME Program Manager, Mr. John Lipps, at john.r.lipps.civ@mail.mil.

About JKO

Joint Knowledge Online is the DoD advanced distributed learning capability for military, civilian, and staff online training. It is the Joint Staff system of record for Joint Staff annual training requirements. Joint, Interagency, Inter-government and Multinational (JIIM) Stakeholders use JKO for a cost efficient, distributed learning solution to meet their online training and education needs. The JKO team of educators, programmers, instructional system designers, graphics artists and training professionals develop media-rich, interactive web-based courses, staff exercises, videos, and podcasts, and train others to fully leverage JKO to manage their training programs.

JKO Features

- ❑ 24/7 global distributed access on unclassified and military classified networks and mobile devices.
- ❑ Software-hardened Learning Content Management System (LCMS).
- ❑ Web-based courseware authoring tool with HTML5 capability.
- ❑ Roles-based access LCMS enabling segmented user views of JKO courses.
- ❑ Level II and higher Interactive Multimedia Instruction courses.
- ❑ SCORM compliant courseware development, conversion and hosting.
- ❑ Immersive, tailored, distributed scenario-based staff exercise training applications and development.
- ❑ Robust tracking and reporting capability for individuals and units.
- ❑ 24/7 Customer Support Center (excluding federal holidays).
